CULTURE THEME

This month we are focusing on...

PERU

ラマはアンデス地方で古代文明のころから人々の生活を支えてきた、丸くて大きな耳を持つ、人懐っこく穏やかな動物です。しかし、耳を後ろに伏せている時は機嫌が悪く、怒ると胃液などの胃の内容物を吹きかけて攻撃してくるので、動物園などで触れ合うときには気を付けてください。

Llamas are friendly and gentle animals with round, large ears. They have supported the lives of people in the Andes region since ancient civilizations. However, when their ears are down behind their backs, they are in a bad mood, and when angered, they attack by spitting stomach contents such as gastric juice, so please be careful when interacting with them at zoos.
